Steering Committee - report	Reviewed 2026 Plan <ul style="list-style-type: none"> - Looking to add the ability to promote Jakarta EE involvement from other vendors (implementations, projects, use cases, programs, ...) (link) <ul style="list-style-type: none"> - Need a solid plan - Keep compatibility/certification as a key value Budget 2026

	<ul style="list-style-type: none"> - Took a preliminary view on the budget at the meeting - second meeting held this week - Ongoing discussion - Fee changes postponed until 2027 for existing members; new members will start with the Euros fee structure. - Red Hat will not be a member of Jakarta EE in 2026 - Refer to recording and slides from Sharon.
Website Rebrand	<p>13 Nov</p> <ul style="list-style-type: none"> • Webdev shared the preview page for the megamenu yesterday and pending internal review • Shabnam has shared the mockups for the “Join us” and “developer portal” for implementation but webdev priority in Q4 is implementing the home page and ensuring that the overall look and feel with the new theme doesn't break any of the current pages. These pages will be implemented in the new year when they start to tackle the rest of the site. <ul style="list-style-type: none"> ○ Jadon - non-technical people have trouble wrapping their minds around Jakarta EE; Need a business value focused section/messaging. ○ Initial update on main page and mega-menu by end of year then progress through new and existing pages through next year. <p>16 October</p> <ul style="list-style-type: none"> • Webdev is working on implementation of homepage and navigation. Completion is expected by the end of Q4. • Working on design mockups for Developer Portal, and Join us page. • Also working on messaging for the “Become a member page” <p>2 October</p> <ul style="list-style-type: none"> • Feedback from the previous meeting is incorporated. • The design file is shared with the webdev team (link to github) to start the implementation process for the homepage and navigation. • Next phase is to create messaging and the mockups for some of the key new pages or pages that need restructurings/updates. Examples: Developer portal, join us, become a member, sponsorship, specifications, etc. • Notes: <ul style="list-style-type: none"> ○ Looking to launch at end of Q4 ○ Need to create mockups and messaging for the 2 new pages (developer portal, join us) ○ Minor feedback is still possible.
