Jakarta EE Membership Fees and Charter update (15 min)

- We have the following proposals:
 - ~~EF proposal: Membership fees change to Euros, which includes about 15% increase - withdrawn at this time~~
 - ~~IBM proposal: Membership fees change to Euros with various changes on the membership fees (e.g. decrease for Strategic members, small decrease for Participant members)~~
 - Alasdair would like to withdraw this one and will bring in an alternative one forward.
 - Another option that was mentioned is Membership fees change to Euros, but the

the fee value approximately stay the same (using avg. 2025 exchange rate)

- According to AI search: The average exchange rate for 1 USD to Euro (EUR) in 2025 was approximately **€0.886**, that we can round to **€0.89**
- Fee changes will be discussed separately and afterwards

Steve: might be a good idea to do the currency change very soon. If any major changes are to be done, we will have a separate conversation.

Ondro: would like to keep the existing fee.

- Please note EF requested the currency change happen in 2Q.

Ondro: how hard is the 2Q deadline? Tanja: The goal is to decide in Q2 about the currency change and will deal with it if it needs more time.

Proposed Resolution:

Membership fees will change to Euros, but the fee value approximately stays the same (using avg. 2025 exchange rate)

- According to AI search: The average exchange rate for 1 USD to Euro (EUR) in 2025 was approximately **€0.886**, that we can round to **€0.89**
- Fee changes will be discussed separately and afterwards

Tanja to send an email.

We will discuss the vote in the next Steering Committee call.
